Map of Major Proposed Changes to Parish Council Guidelines

What's being proposed?

Why do we need these changes?

Inquiry and Survey data showed that...

Council size cumbersome (avg. Council size in Cleveland diocese is 12)

63% of Commissions met annually or not at all

People are passionate but spread too thin

Change Parish Organizational Chart structure from ... Council → Commissions → ministries/groups to ... Council → ministries/committees/groups **Current Commissions will continue** current activities & functions; adding Council Biannual Meeting with leadership of parish Change Council size and ministries/groups. structure from... ...22 to **12 members** ...a mix of At-Large members and Commission reps to allelected members
